U.S. State Privacy Notice

SFER LABS LLC · Version 1.0 · Effective August 11, 2026

This Notice supplements the Privacy Policy for residents of U.S. states with comprehensive privacy laws. It applies only where the relevant law covers SFER LABS LLC and the individual or processing at issue. Terms such as "personal information," "sale," "share," "targeted advertising," "consumer" and "sensitive data" have the meaning given by applicable law.

1. Categories and purposes

During the preceding 12 months, we may have collected the following categories, depending on enabled features:

1.1. Identifiers

Examples: name, email, account ID, IP, device/advertising ID

Sources: you, device, organization, providers, public/licensed sources

Business/commercial purposes: accounts, security, support, analytics, marketing

Recipients: service providers, authentication, security, analytics, advertising subject to choices

1.2. Customer and transaction records

Examples: plan, purchase, invoice, tax location, support history

Sources: you, payment provider

Business/commercial purposes: service, billing, support, compliance

Recipients: payment, finance, support, advisers

1.3. Internet and network activity

Examples: pages, clicks, features, referrer, campaign, browser, logs

Sources: device, SDKs, providers

Business/commercial purposes: security, product analytics, attribution, advertising

Recipients: hosting, analytics, security, advertising subject to choices

1.4. Geolocation

Examples: approximate location from IP

Sources: device/providers

Business/commercial purposes: localization, fraud, legal and campaign measurement

Recipients: security, analytics, advertising subject to choices

1.5. Professional information

Examples: employer, role, company contact data

Sources: you, employer, public/licensed sources

Business/commercial purposes: B2B sales, research, account administration

Recipients: CRM, communications, enrichment providers

1.6. Inferences

Examples: likely interests, product fit, campaign segment

Sources: activity, professional data

Business/commercial purposes: personalization, market research, targeted advertising

Recipients: analytics/advertising subject to choices

1.7. User content and communications

Examples: Input, Output, files, support, feedback

Sources: you, organization

Business/commercial purposes: provide AI functions, safety, support, QA

Recipients: AI, infrastructure and support providers

1.8. Sensitive information

Examples: account credentials; content may contain data users submit

Sources: you

Business/commercial purposes: account security and requested processing

Recipients: necessary service providers

We do not use or disclose sensitive personal information to infer characteristics except where separately disclosed and permitted. Users should not submit sensitive data to AI features unless expressly approved.

2. Sale, sharing and targeted advertising

We do not sell Input or Output to data brokers. If advertising, audience matching or retargeting is enabled, disclosure of identifiers and internet activity to advertising partners may be considered sale, sharing or targeted advertising even if no money is exchanged.

You may opt out through the Your Privacy Choices control available through the website or account, or by emailing privacy@idelio.pro. We honor a legally valid Global Privacy Control signal for the browser/device and, where reasonably possible, an associated account. We do not knowingly sell or share personal information of consumers under 16.

3. Rights

Subject to applicable law and exceptions, you may request:

- a) confirmation and access to personal data;
- b) correction of inaccuracies;
- c) deletion;
- d) a portable copy;
- e) a list or categories of third parties to which data was disclosed, where required;

- f) opt-out of sale, sharing, targeted advertising or qualifying profiling;
- g) limitation of certain sensitive-data uses or withdrawal of consent; and
- h) appeal of a denied request.

Submit requests through the Your Privacy Choices control available through the website or account, or email privacy@idelio.pro. We use information reasonably necessary to verify the request. Authorized agents may submit requests where permitted, subject to proof of authority and identity verification. We do not discriminate for exercising a right.

If we deny a request, instructions for appeal will be included in our response. You may contact your state attorney general or other regulator where applicable after completing the appeal process.

4. California metrics and other disclosures

If required by law, we publish request metrics, financial-incentive terms and additional California disclosures. We do not offer a financial incentive for personal information unless a separate notice explains material terms and obtains the required opt-in.

California residents may also request information under the state's direct-marketing disclosure law where applicable by contacting privacy@idelio.pro.

5. Retention and contact

Category-specific retention periods are in the Privacy Policy. Questions and requests may be sent to privacy@idelio.pro or SFER LABS LLC, 1201 N. Orange Street, Suite 7691, Wilmington, Delaware 19801-1186, USA.
